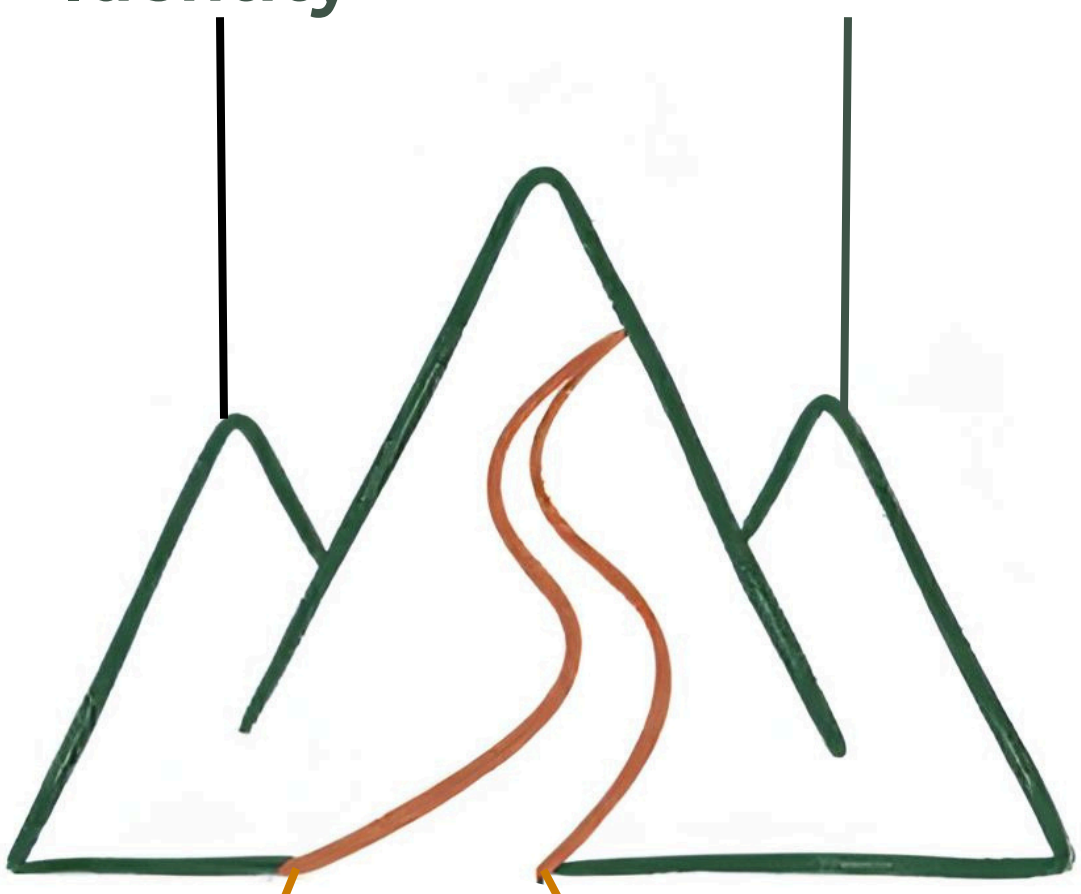
Identity

- Steadfast – I remain grounded when in tense moments.
- Adaptable – Like water, I flow around obstacles
- Resilient – I endure pressure well
- Visionary – I keep my eyes on the the bigger picture.

Ambition

- To reach the summit of my highest potential.
- To carve my own path
- To maintain momentum regardless of the obstacles in my way.
- To stand tall and provide a foundation for others to climb.



Values

+ Stability – Being a rock for myself and those around me.

+ Persistence – Knowing that constant motion (like a river) wears down the hardest stone.

+ Balance – Understanding when to stand firm (mountain) and when to be flexible (river).

+ Clarity – Striving to be as clear and honest as fresh water.

+ Courage – Having the bravery to climb steep slopes.

Concept

+Every element of this logo reflects the duality of my character.

+ Together, they symbolize that I am strong but fluid.
